DATE: February 2, 2015

TO: Administrators, Business Managers and Fiscal Operations Personnel

FROM: Chad Cleveland
Interim Assistant Vice President for Accounting Services and Controller

As the end of Fiscal Year 2014-15 approaches, we would like to assist you in making all appropriate charges and encumbrances to your accounts. Please use the following guidelines in planning for the close of this fiscal year:

CASH RECEIPTS AND CREDIT CARD RECEIPTS
All funds received that are to be credited to FY2015 must be received by the Bursar’s Office before the end of the working day June 23, 2015.

NOTE#1: For those departments that prepare deposits which are directly transported to the bank via armored car service through June 30, 2015, the deposits will be recorded as FY2015 cash receipts.

NOTE#2: Any credit card sales that occur on June 23, 2015, will be included in FY15. Credit card transmittals for June 23, 2015 sales must be submitted to the Bursar’s Office no later than noon on June 24, 2015.

REQUESTS FOR UNCOLLECTIBLE ACCOUNTS RECEIVABLE TO BE RESERVED AND A/R REQUEST TO WRITE OFF UNCOLLECTIBLE ACCOUNTS

Please refer to http://www.busfin.uga.edu/accounts_receivable/ for instructions to complete requests to reserve and/or write off uncollectible accounts. Departments should submit completed requests to the Accounts Receivable Department by April 23, 2015.

TRAVEL
Travel authorities with airfare to be direct charged to the University on the 2014-15 budget must be in Travel and Encumbrances by noon on June 12, 2015. Departments that wish to have airfare direct charged to the University for the 2014-15 budget should insure that the travel agency involved submits its invoice to Travel and Encumbrances by the end of the working day June 19, 2015.
TRAVEL – Continued from previous page

Approved Travel Expense Statements to be charged to the 2014-15 budget must be submitted to Travel and Encumbrances by the end of the working day, June 19, 2015. Travel encumbrances will be treated the same as encumbered purchase orders. Travel funding that is encumbered and not spent before June 30, 2015, will be recorded as a charge to the 2014-15 budget, and the funding will go into a liability account.

Departments have the option for travel that is to be completed by September 30, 2015, to be encumbered from FY2015 funding. All travel authorities pertaining to travel between July 1, 2015 and September 30, 2015 must clearly indicate whether the charges are to be encumbered from FY15 or FY16 funding.

OPERATING SUPPLIES AND EQUIPMENT - May 1, 2015, with exceptions

To ensure that purchase requests are encumbered against the 2014-15 budget, it is necessary that requests be approved by Travel and Encumbrances by May 1, 2015, unless otherwise accepted below. Purchase requests submitted for approval before the close of the fiscal year must properly indicate the fiscal year to be charged. The Accounting Date field within UGAmart determines the fiscal year that a purchase request is to be charged. Any date that falls within the current fiscal year ending on June 30, 2015 will be charged to the current fiscal year. Any purchase request postdated within the Accounting Date field with a date equal to or greater than July 1, 2015 (the beginning of fiscal year 2016) will be charged to the next fiscal year. All purchase requests which are to be charged to the 2015-16 budget must have the appropriate Accounting Date of July 1, 2015 or greater. Purchase requests which are submitted after the specified cutoff dates will be reviewed and processed if time permits.

There is no assurance that requests received after the established receipt dates can be processed in time to be charged against the 2014-15 budget. The department will be notified if it is determined that a request cannot be processed against the 2014-15 budget.

Exceptions to May 1 Purchase Request Date

1) Vehicles - OPB issued a moratorium regarding motor vehicle purchases. This moratorium pertains to purchase and leasing of all vehicles. All vehicle purchase requests, with a letter which provides a compelling reason for requesting a waiver from the moratorium, should be in Travel and Encumbrances by March 13, 2015. Purchase requests for vehicles available under statewide contract should be in Travel and Encumbrances at the earliest possible date, as the manufacturers may impose a cutoff date prior to March 13.

2) Information Technology (IT) - This category includes computer equipment, software or services (CESS) audiovisual, and telecommunications. See next page for deadlines.

Information Technology (IT) requests with an aggregate cost of $10,000 or more require an approval process as outlined below:

A. Requires Local Approval from UGA CIO
   – $10,000 to $500,000 Computer Equipment/Software/Services (CESS)
OPERATING SUPPLIES AND EQUIPMENT - May 1, 2015, with exceptions (Cont’d)

B. Requires Vice Chancellor/Board of Regents CIO Approval
   – over $500,000 Computer Equipment/Software/Services (CESS) not covered above
   for local approval.
See http://eits.uga.edu/hardware_and_software/cess for guidelines and procedures for CESS
process.

To meet the established cutoff date for processing IT Purchase Requests, the following deadlines
have been established by the Office of the CIO for the required prior CESS approval processes:

**March 27, 2015** – Requests that require the approval of the Vice Chancellor of Information
Technology/BOR CIO (items over $500,000) must be received in the Office of the CIO no later
than this date.

**April 22, 2015** – Requests that require local approval only ($10,000 to $500,000 and $0 to
$500,000 if sensitive data is involved) and the items are NOT AVAILABLE on statewide or
agency contract must be received in the Office of the CIO no later than this date.

**May 8, 2015** – Requests that require local approval only ($10,000 to $500,000 and $0 to
$500,000 if sensitive data is involved) and the items are available on statewide or agency
contract must be received in the Office of the CIO no later than this date.

After the appropriate approval is received as outlined above, the deadlines for receipt of IT
purchase requests in Travel and Encumbrances are as follows:

**May 1, 2015** - IT purchase requests not on statewide or agency contract.

**May 22, 2015** - IT purchases which are on statewide or agency contract.
(Please note that the approved CESS number must be entered on the purchase request.)

3) Purchase Requests where the method of solicitation is a Request for Proposal (RFP) –
**February 27, 2015**.

4) Purchase Requests totaling $24,999.99 or less must be in Travel and Encumbrances
by **May 22, 2015**.

5) Purchase Requests for items available under Statewide Contract or Agency Contract,
regardless of dollar value, must be in Travel and Encumbrances by **May 22, 2015**. Earlier
deadlines apply to IT purchases as stated in section 2 above.

If you are not certain which category applies to your purchase request, please contact the
Procurement Office, 706-542-2361.

Requests for reimbursement from the Master Petty Cash Fund should be requested by the end of the working day Friday, June 19, 2015.

Campus Mail’s cutoff date will be June 15, 2015. Postage fees will be charged to the 2014-15 year for all mail received at Campus Mail by the end of the working day on June 15, 2015. Central Office Supply (COS) will accept purchase requests which will be charged against the 2014-15 budget (if requested supplies are in stock) through the end of the working day on June 16, 2015. University Printing and Duplicating’s cutoff date will be June 16, 2015. Requests for printing and duplicating services will be charged to the 2014-15 year, if the job can be completed by June 16, 2015.

All currently established and funded Facilities Management Division (FMD) work orders will be reviewed and departments advised by April 10, 2015, if the work cannot be completed and billed by June 22, 2015 and the remaining amount of funding which will not be expended during FY2015. Any additional work requested from Facilities Management for charges against the FY2015 budget will be accepted on a project-by-project basis. Each request will be reviewed to determine workforce and material availability. The requesting department will then be advised whether work can be accomplished by the end of the fiscal year. Any special requirements or problems should be brought to the attention of the Assistant Vice President for Facilities Management, Tom Satterly at (706) 542-7369 or tomsatt@uga.edu.

Facilities Management warehouse will accept requests for issues to be charged against the FY2015 budget until 3:30pm on June 19, 2015. Issues beginning on Monday, June 22, 2015 will charge against the FY2016 budget.

The last day a state vehicle can be rented from the Automotive Center for charges to be posted to the FY2015 budget is Thursday, June 18, 2015. Any outstanding rentals that have not been returned by the 18th will be estimated for the remainder of the rental agreement period and those charges will be posted against the FY2015 budget. Beginning June 22, 2015, all new rentals will be charged against the FY2016 budget. NOTE: Accounts with a June 30, 2015 expiration date cannot be used after June 18th for vehicle rental charges.

Fuel to be charged to the FY2015 budget can be purchased at the Automotive Center until 5:00pm on Friday, June 19, 2015. Any fuel purchased after that time will be charged to the FY2016 budget. NOTE: Accounts with a June 30, 2015 expiration date cannot be used after June 19 for fuel charges.

NO additional charges, changes or corrections can be posted by Facilities Management after 5:00 pm, Monday, June 22, 2015 in order to accommodate the June 30, 2015 year-end date. All remaining Facilities Management charges will be loaded to the IMS system on the evening of Tuesday, June 23rd and departments will be able to see all Facilities Management final charges for FY2015 on their accounts on Wednesday, June 24, 2015.
Please note that Facilities Management cannot encumber FY2015 funds against FMD labor at year-end. Any departmentally funded work orders that involve FMD labor must be completed by Friday, June 19, 2015 for charges to post against FY2015. Any continuing FMD labor after Friday, June 19, 2015 for the on-going work order will be charged against the departments FY2016 budget.

Work requests for jobs to begin in FY2016 will not be accepted until May 1, 2015. You may call the FMD Work Control Desk at (706)542-7456 or email them at fmdwork@uga.edu. Please be sure to specify that the work is to be performed and billed against the FY2016 budget.

***Please contact any service organization not mentioned for its cutoff date***

**JOURNAL VOUCHER REQUESTS, TICKETS (ALSO KNOWN AS INTRA-UNIVERSITY CHARGES), PERSONNEL ACTIVITY REPORTS, AND ACCRUED PAYROLL**

Journal entry requests for personal service items must be in the Payroll Office by noon on June 3, 2015. All non-personal services journal entry requests and intra-departmental charges and credits (tickets) must be in the Accounting Department by noon, June 19, 2015.

Personnel Activity Reports are due in the Accounting Department by noon on June 16, 2015. A separate letter concerning the year-end procedure for processing of Personnel Activity Reports will be distributed at a later date. Accrued payroll work sheets for salaried bi-weekly and hourly bi-weekly payrolls are due in the Accounting Department by noon on June 10, 2015.

**PAYROLL**

Bi-weekly payrolls paid during July 2015 for days earned during fiscal year 2014-15 will be charged to the 2014-15 budget (not applicable to restricted accounts). The following payroll periods are affected by the year-end procedure:

1. **Hourly Bi-Weekly Payroll for Period June 11 - June 24**

   Time recorded for June 11-24 will be charged to the 2014-15 budget. These checks will be issued on July 2, 2015.

2. **Salaried Bi-Weekly Payroll for Period June 18-July 1**

   Time recorded for June 18-30 will be charged to the 2014-15 budget. Time recorded for July 1 will be charged to the 2015-16 budget. These checks will be issued on July 10, 2015.

3. **Hourly Bi-Weekly Payroll for Period June 25-July 8**

   Time recorded for June 25-30 will be charged to the 2014-15 budget. Time recorded for July 1-8 will be charged to the 2015-16 budget. These checks will be issued on July 17, 2015.
Personnel reports will be required as follows:

(1) It will not be necessary to submit personnel reports for employees who are employed during the 2014-15 fiscal year in a line-item position, and who are continued by name in the 2015-16 original budget.

(2) It will be necessary to submit a personnel report and budget amendment for an employee not appearing by name in the 2015-16 original budget. If an employee joined the staff in 2014-15 and was not included in the 2015-16 original budget, a new personnel report and budget amendment will be required. Work hours used to compute an hourly rate for fiscal year 2015-16 will be 2096.

**BUDGET TRANSACTIONS FOR REMAINDER OF FY 2015**

Units will need to project expenditures for the remaining months of FY2015. Budget amendments should be processed no later than **March 16, 2015**, to reflect the total projected budget for the current fiscal year. The University’s amended budget must be submitted for Board of Regents approval by April 10th. Savings from vacant positions and unused lump sum positions should be re-budgeted in the appropriate non-personal services category by the March 16th deadline. This deadline does not pertain to routine personnel transactions that do not involve object transfers from personal services to non-personal services or vice versa. Please review memo located at the following link:

Budget transactions **will not** be updated to IMS after **June 22, 2015**. Electronic documents received at the Budget Office level after June 17, 2015 are not guaranteed to be updated to IMS for FY2015.

If you have any questions or need further information regarding these instructions, please contact the University Budget Office at 706-542-2802.

**PURCHASING CARD (P-card)**

The Accounting Department will download p-card charges from the Works Payment Manager on **Tuesday, June 23, 2015**. Only transactions transmitted by the vendor and posted to the bank by **Friday, June 19, 2015** will be posted in FY2015. Please note that this will provide less time to allocate charges in Works. If the vendor has not transmitted the charge to the bank in time to be posted to the Works Payment Manager by **Friday, June 19, 2015**, the p-card transaction will be charged to the FY2016 budget.

**DEPARTMENTAL SALES AND SERVICES**

Each school, college and unit will need to project total estimated revenue amounts for departmental sales and services accounts. Budget amendments should be submitted to reflect the total projected amount for the current fiscal year. Budget amendments for the current fiscal year are due to the University Budget Office by **March 16, 2015**.
All requests to set up accounts receivable, deferred revenue, or scientific equipment reserves on departmental sales and service accounts are due in the Accounting Department by end of day on **June 23, 2015**. For additional guidance on department sales and service accounts deferred revenue, carry forward and other yearend items, please refer to [http://www.policies.uga.edu/FA/nodes/view/919/Departmental-Sales-and-Services-Accounts](http://www.policies.uga.edu/FA/nodes/view/919/Departmental-Sales-and-Services-Accounts).

**CARRY FORWARD REQUESTS**

Carry forward requests for student technology fee accounts should be submitted to the Accounting Department, 323 Business Services Building by **June 15, 2015**. These requests will be forwarded to the Vice President for Information Technology (VPIT) for approval. The STF carry forward request form is located at [http://www.busfin.uga.edu/forms/stf.pdf](http://www.busfin.uga.edu/forms/stf.pdf)

After the close of the fiscal year, all amounts remaining in departmental sales and service and indirect cost recovery accounts will be carried forward by college/school/unit. It will be the college/school/unit decision as to how those excess funds will be distributed at the account level.

After the close of the fiscal year, all amounts remaining in continuing education accounts will be automatically carried forward.

Each college/school/unit should follow Board of Regents guidelines for carry forward funds. ([BPM Section 2.2.1](http://www.usg.edu/business_procedures_manual/section2/manual/2.1_accounting_coding_schema/)

Specifically, to qualify for carry forward a departmental sales and service account must earn at least 50% of its revenue from external sources (sources outside the University).

Each college/school/unit should internally document how the carry forward funds will be used. This information may be needed at the request of the Board of Regents.

**TRANSACTIONS INVOLVING RESTRICTED ACCOUNTS**

Please keep in mind that transactions involving restricted accounts or cost share accounts require Contracts & Grants review/approval before processing. Cash receipts, check requests, journal vouchers, personnel activity reports, purchase requests, tickets, and travel authorities should be received by Contracts & Grants office four business days prior to the yearend deadline to allow adequate time for processing.

This document and an additional “quick-reference” summary in deadline date order can be found on the web at: [http://www.busfin.uga.edu/accounting/yearend.pdf](http://www.busfin.uga.edu/accounting/yearend.pdf)
