

Resident Instruction Fund Groups

Starting in FY 2009 Resident Instruction will consist of four fund groups. The funds groups will be as follows:

- Athens/Resident Instruction – 10
- ARRA Stabilization Funds - 12
- Gwinnett/Resident Instruction – 16
- Griffin/Resident Instruction – 17
- Tifton/Resident Instruction – 18
- MCG/UGA Medical Partnership - 19

Establishing separate fund groups for Resident Instruction will enable the schools, colleges, and support units to retain in their budgets the resources allocated to the various campus activities while providing the capability for UGA to identify the expenditures related to each campus.
