The University of Georgia strongly encourages vendors to also register with Team Georgia Marketplace. Procurement opportunities from UGA will **ONLY** be sent to vendors that are registered with Team Georgia Marketplace.

Registration with Team Georgia Marketplace will allow you to receive bid solicitations after January 20, 2009 when the use of the State of Georgia's current Vendor Registration System is discontinued. You will continue to receive bid solutions from UGA under the current system until January 19, 2009.

Registration is free. Please be prepared to enter your Tax Identification Number, your company address, email address, and phone numbers for yourself and anyone else that you want listed under your company profile. If you are an individual doing business, you'll be using your Social Security number in place of the Tax Identification Number.

Definitions

The Federal Government, through Section 129 of Public Law 100-590, Small Business Administration (SBA) Reauthorization Act of 1988, has provided the following guidelines for certification of small business, which will facilitate participation in federal programs and bidding for government-funded contracts.

UGA utilizes these Federal definitions. They are available for review at:

<http://www.busfin.uga.edu/procurement/>

NOTE the State of Georgia has certain DIFFERENCES with Federal definitions:

- **Georgia Small Business: Small Business definitions differ between Federal and Georgia certifications. Under Georgia law a small business is defined as a business that is independently owned and operated with fewer than 100 employees and/or less than \$1 million in gross receipts per year.**
- **Georgia Minority-Owned Business: A minority business (or minority business enterprise - MBE) is one that is owned or controlled by one or more minority persons. Owned and controlled means a business which is: (A) a sole proprietorship legitimately owned by an individual who is a minority person; (B) a partnership or joint venture controlled by minority persons and in which at least 51 percent of the beneficial ownership interests are legitimately held by minority persons; (C) a corporation or other entity controlled by minority persons and in which at least 51 percent of the beneficial ownership interests are legitimately held by minority persons. The State of Georgia recognizes five (5) minority groups; African American, Asian American, Hispanic/Latino, Native American, and Pacific Islander.**
